FOREVER AND A DAY

For all of the times that I felt like crying
For all of the times that I actually cried
When all of my dreams were shattered or dying
And I just couldn't deal with the feelings inside

For all of the headaches and heartaches that hurt me
For all of the problems that needed a cure
You comforted, sympathized and listened unselfishly
You helped and you showed what a good firend is for

A smile shows love but lasts only a moment
A moment is fragile and fades quickly away
Faded moments grow into fond cherished memories
While friends last forever.....

and a day

CAFETERIA

With busy schedules and numerous committments, students usually find their only free time to be lunch. For this reason, during the day the cafeteria is the busiest-and the noisiest-place in the whole school. Undaunted by long lines, uncomfortable seating, and questionable food, students crowd the cafeteria to eat, talk with friends, and even do homework. The noise level is high, but the tension is low. Though open campus allows students to go out for lunch, no one seens to mind hanging out at the caf, goofing off with friends (and possibly with the food).

This year the seniors generously offered as their class gift the addition of ceiling fans in the cafeteria. The fans were installed in the beginning of the year and helped with the many heat waves, as well as just circulating some fresh air. Another welcome addition has been the salad bar. Mostly appreciated by dieters, this $1.30 special has somewhat reduced the numerous "cafeteria food" jokes, but there's still along haul to a fully respected cafeteria.

For three years the cafeteria has served as the one refuge from work, classes and obligations. Each day in the caf provides some unexpected, tasteless prank, but no one minds. The constant noise is a sign of students at rest.

SPIRIT '86

Spirit is a word that's key to RHS. Where else could one find so many clubs, from Science Fiction to Safe Rides, with so much student involvement and support? And the spirit that's at the school is more than just the cheerleaders at football games. It's the electricity felt when you walk down the halls--friends laughing and joking, students talking to teachers....People are proud to be at RHS, and it shows.

Of course, football games are the epitomy of the spirited activity. The band, playing "Eat'em up" and "Rock Around the Clock", keeps every one on their feet. The cheerleaders yell 'till their voices are hoarse. The enthusiasm is contagious, and the stands, parents and students alike, rock with pride.

With the advent of the "Bleacher Creatures", an offspring of the fall Leadership Weekend, the upper right-hand corner of the bleachers will never be the same. Seniors seem to monopolize the area, and their cheers for R-I-D-G-E-W-O-O-D can be heard throughout the seasons at many sports events.

However, Ridgewood High School spirit does not permeate just the sports arena. Whether it's supporting Tournament of Champions handicapped olympics, or the Senior Citizens Valentine's Day Dance, or the CROP walk or any mumber of other community activities, students are there with a smile. That's what makes RHS such a great place to be.

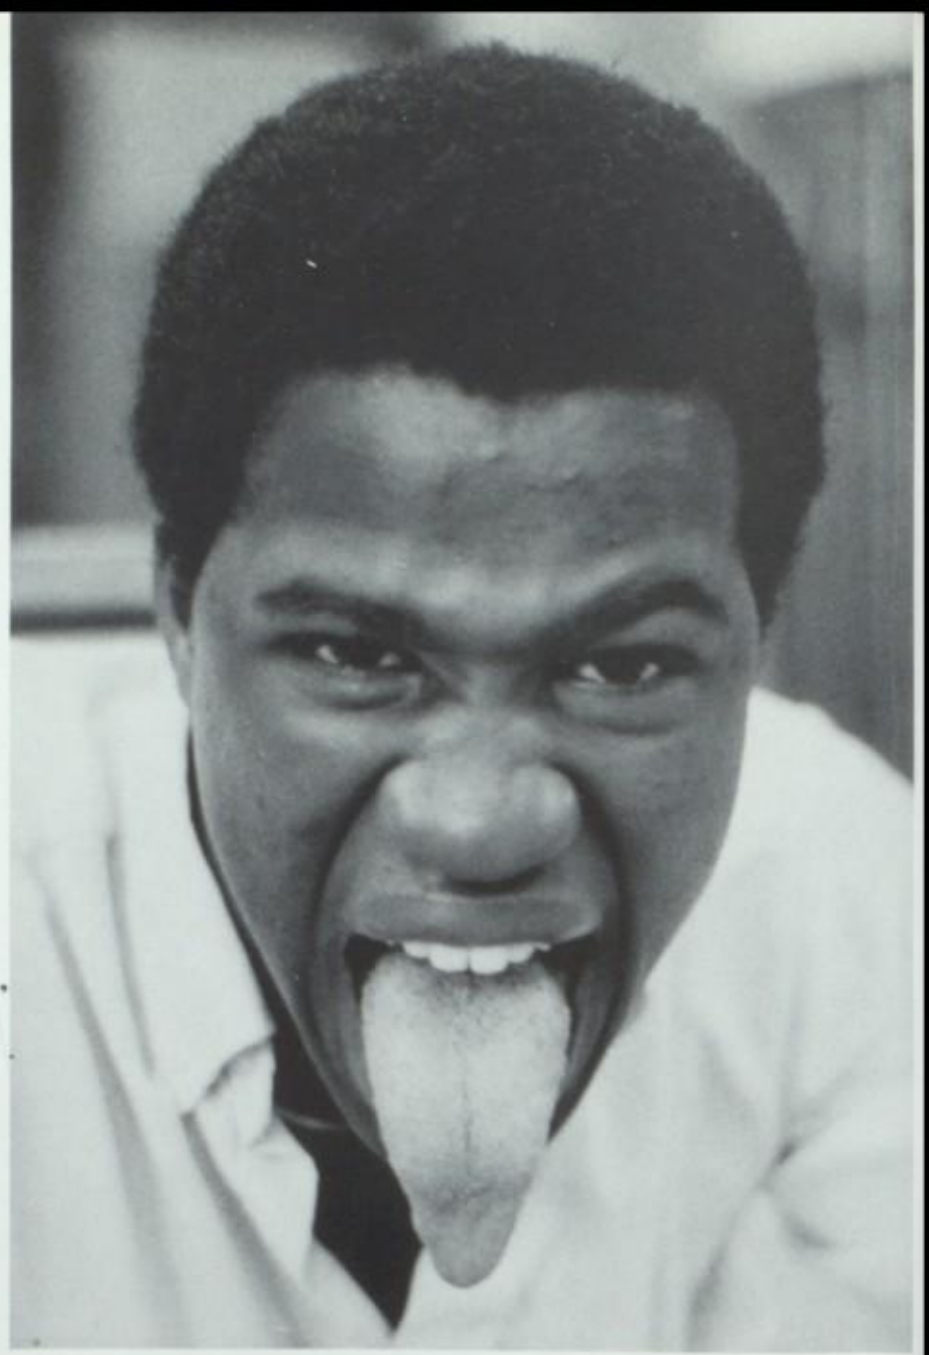
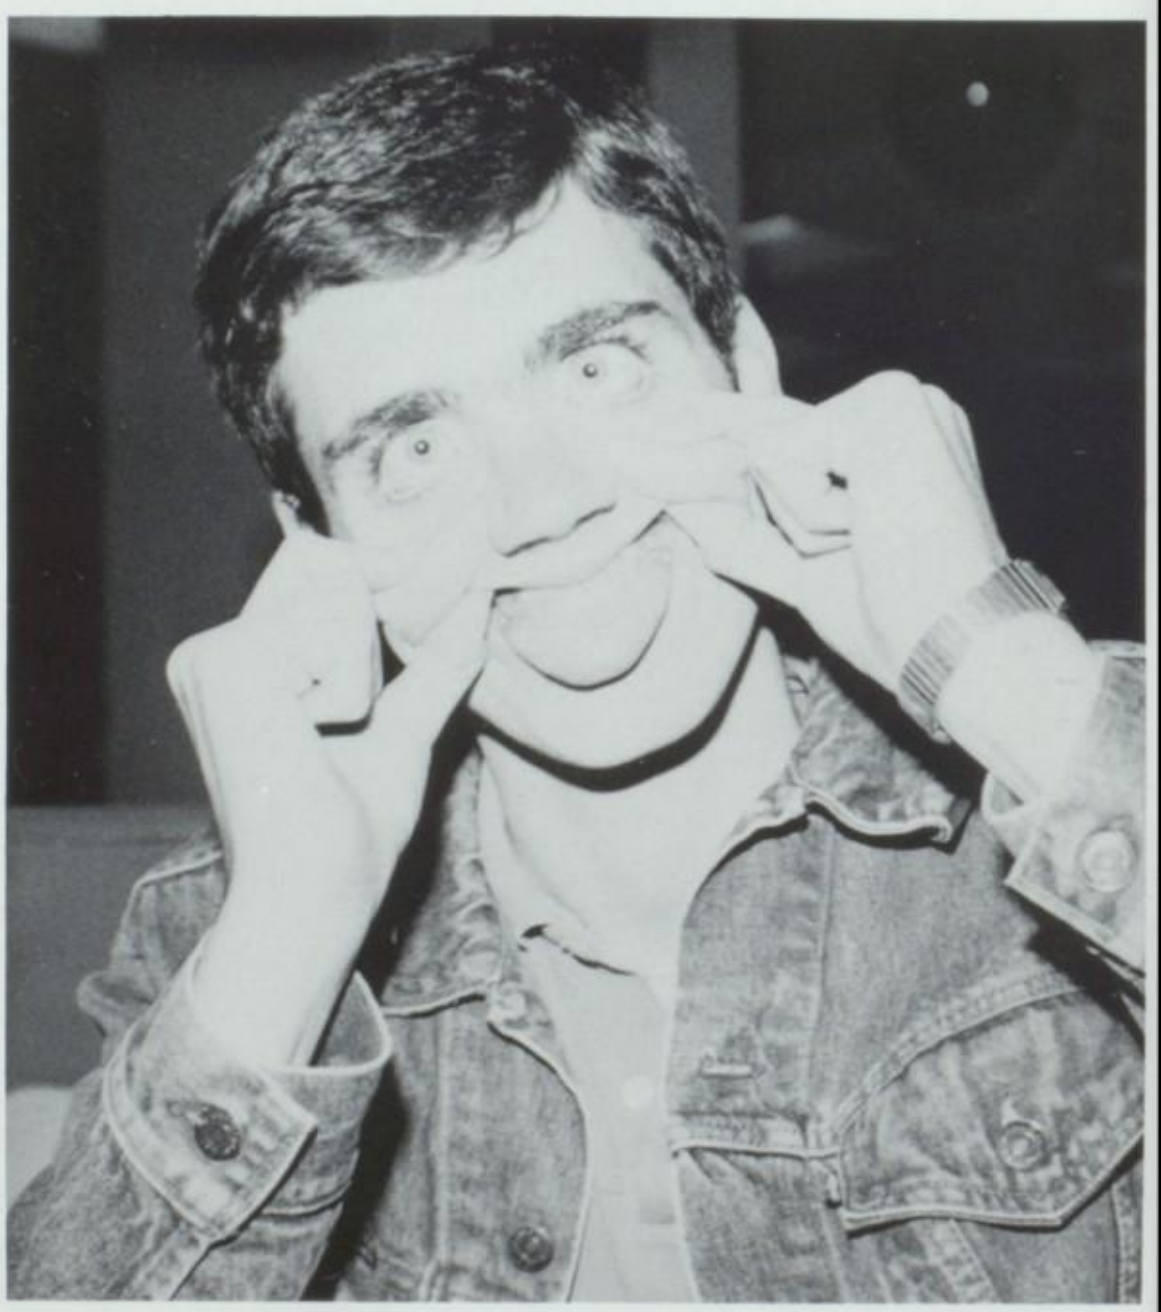
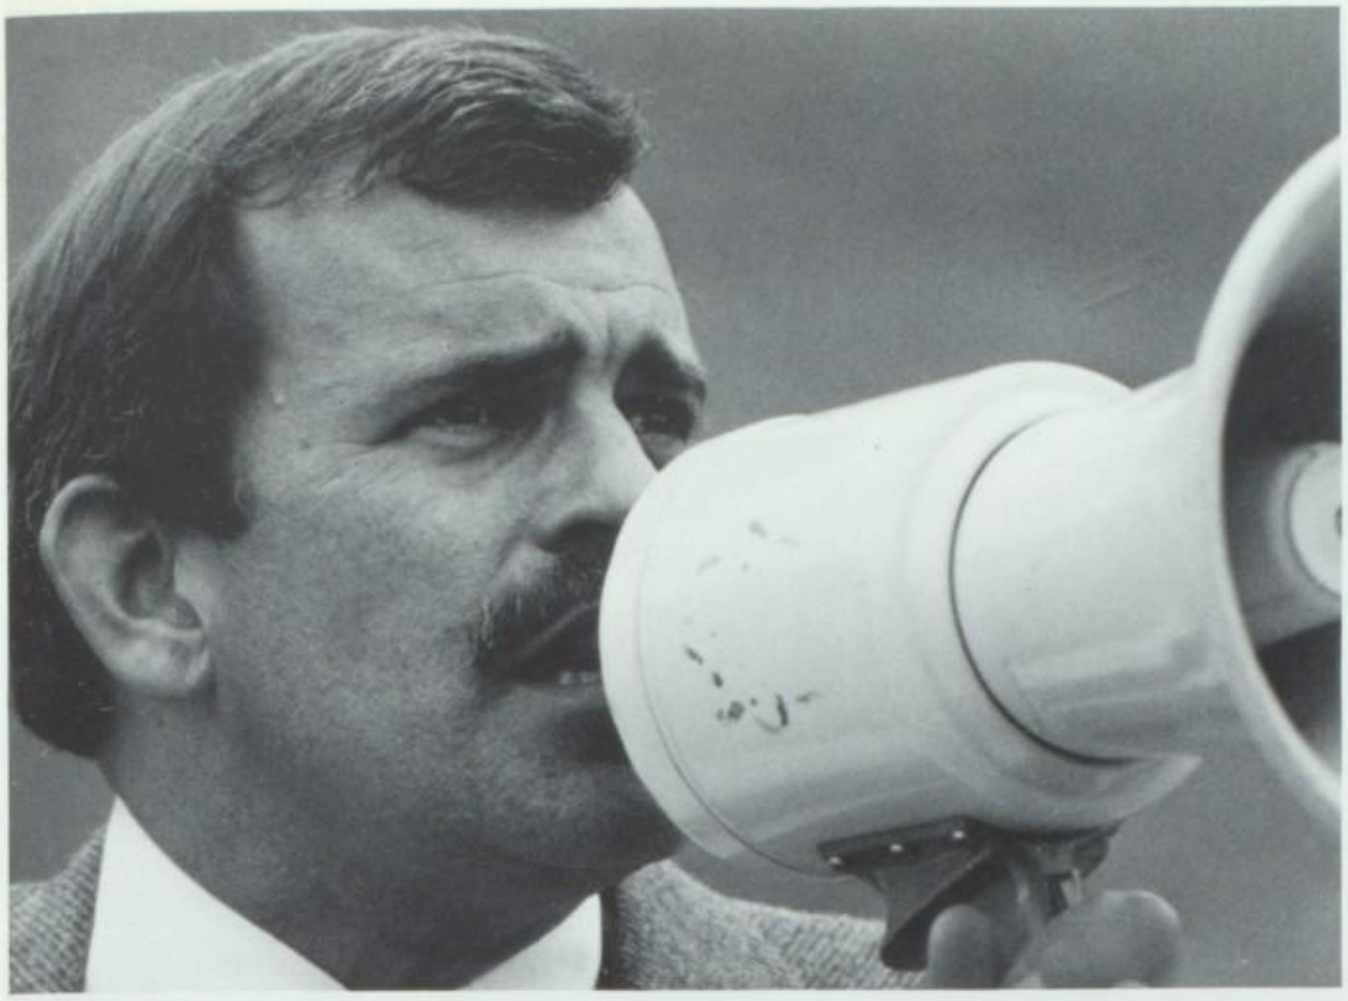
FUNNY FACES







MR. REAMER

From "Prom King" of 1965 to "Locker King" of 1985, Mr. Jim Reamer has come a long way. Whether it's sauntering through the cafeteria in a skeleton costume (to promote the Halloween dance) or smiling through yet another joke about the dreadful locker situation, Mr. Reamer's always there with a great sense of humor and a laugh.

He seems to have the special quality of being able to relate to all types of people. And he's always more than willing to talk about anything, from a personal problem to the weather. It's nice to know that someone like Mr. Reamer, who has true pride in our class, is representing the seniors to the administration.

We thank Mr. Reamer for choosing to be our grade administrator and hope he'll remember us as fondly as we'll remember him.

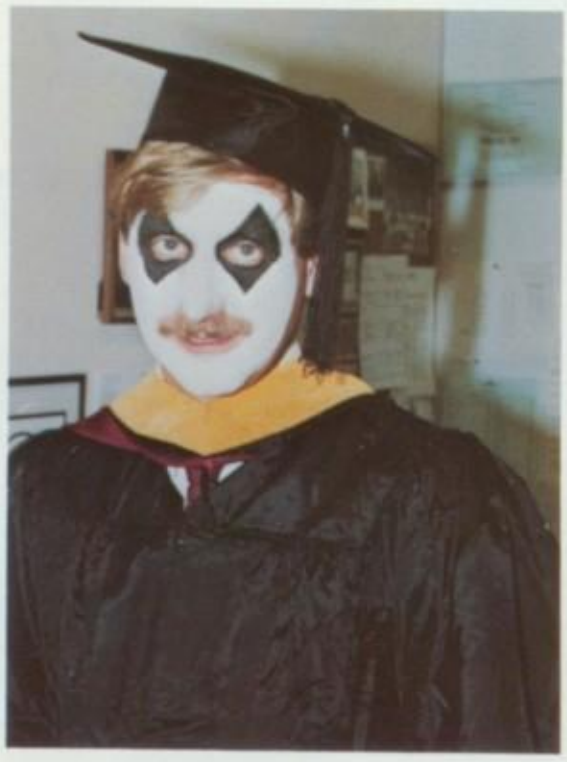
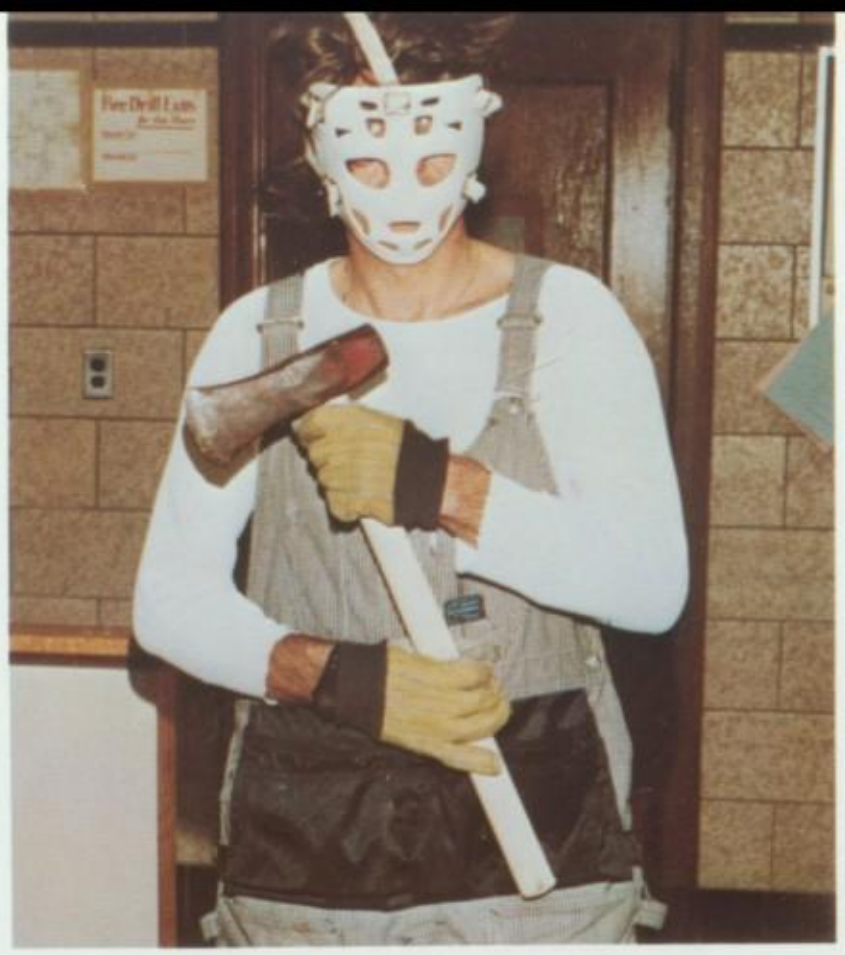
HALLOWEEN





DANCES

At 5:00 the day of a dance, phone lines all over Ridgewood are atied up by RHS students. "Are you going?" "Is he going?" "Is she going?" "What are you wearing?" (to which the obvious answer is, "I don't know. What are you wearing?" "I don't know-that's why I called you!") "What time are you going?" "Are there any good parties before or after?" "What's the meaning of life?" Of course, you can't just call one person-you have to ask all your friends, and of course, their lines are all busy. At about 6:00 everyone finally gives up, the telephone operators breathe a hugh sigh of relief, and life returns to normal. Almost.

At about 7:45, after endless hours of fussing in front of the mirror, the first sophomores arrive, all highly overdressed, and very early (they didn't want to miss out on any of the fun). Yes, the posters do always say 8:00, but anybody who's anybody (namely seniors) knows that the earliest you can get there is 9:00 (one must be fashionably late).

Finally, all the seniors arrive, and the fun can begin. It takes at least half an hour to check your coat, another 15 minutes to fix you hair in the bathroom, and 30 minutes to get a soda and talk to your friends. So, if you're lucky, you can actually dance for an hour and a half; that is, if you like all the music, which no one ever does. But everyone always dances to "Shout"--except that one couple at every dance, who, throwing all cares to the wind and forgetting about climate control, doesn't realize that everyone else is gatoring while they're still standing up. This gives everyone something to talk about Monday morning.

12:.00 rolls around, and everyone goes on their merry way. Everyone decides that the dance is the worst they've ever been to, but they still go to the next one. Even the sophomores eventually learn to show up late. And then there's always the prom but that's another story....

The Dark Pursuer

I've beat him a thousand times and I've tried to run away,
And though he lets me be when the sun sets,
He turns as soon as the night reverts back to the day.
He's been with me always,
And he'll hound me to my grave,
For no matter how far or fast I flee,
My shadow still remains.

ADMINISTRATION

"Dynamic," "legendary," and "awesome" have been mentioned to me as adequate descriptions of the Class of 1986, but since these suggestions come from your grade administrator and your president, they may be a bit biased. However, it is true that the Class of 1986 is one of Ridgewood High School's outstanding classes! Your many activities, your strong fundraising ability, your social conscience affirmed by your gifts to the starving and needy, and that wonderful spirit which establishes you as an exceptional group in Ridgewood High School's history - all go to illustrate that fact. And while enjoying yourselves, you have set many a good example for underclassmen to follow. You have done what I hope all classes do and brought credit to yourselves and to your school in the doing.

ROBERT W. HONSINGER
Principal

The remote is suddenly close; "sometime" is now; the distant star of the senior year is no longer distant, and graduation is a reality.

When you were learning to walk in your living rooms, a man had already walked on the moon: "A giant step for mankind," In this, the year of your graduation, you have witnessed the most devastating space disaster that has ever occured. And now you share in a second giant step: the birth of a new and stronger courage that has sprung from catastrophe. May it be your lodestar--giving you the strength to dare, to rejoice in achievement; yet, in difficult times, to surmount calamity and setback and push forward. May it be your memorial to America's seven brave astronauts.

In a different way, your yearbook is a memorial to your high school years and to a Ridgewood education whose aim has been to prepare you for the uncertain future. The Arrow will pull you back to your beginnings and to us--your teachers, counselors, administrators, and parents and citizens who have, with your own strong help, brought the once distant star of high school graduation to you.

Maroons End Season As N.N.J.I.L. Champions

As the 1985 Maroon's season began, head coach Chuck Johnsen had a heavy task on his hands. Yet, he successfully bought the Maroon's all the way to the Group 4 section 1 championship and ended the season as N.N.J.I.L. League champs, Bergen County Champs, and sectional runners-up. The team's season record was 9-2.

Co-Captains Mike Gaeta and Damian Ross were both returning letterman, as were seniors Jim Parisi, Dave Jarolmen, Geoff Garfield and Rob Hansen, all both-way lineman, and two-way back Scott Sommerville. All of these players were named All-League N.N.J.I.L. first team.

Other seniors with special honors included Art Messineo, named second-team all-league running back and second-team All-Suburban fullback, and offensive tackle Steve Kletter who received honorable mentions for both teams. Senior Jim McGuire also received an honorable mention as wide receiver on the All-Suburban Team.

Enthusiasm ran high despite the often bad conditions for the games. Especially exciting was the state playoff victory over North Bergen. Damian Ross led the Maroons to victory with three touchdowns for a score of 21-0.

Coach Johnsen, along with the other coaches Montesano, Stroker, Caradonne, Deutch and Rodriguez, attributes this year's success to the business-like manner in which they approached the games, the overall talent on the team, and a key offseason weight training program, which helped players gain agility, and up to fifteen pounds. Johnsen describes the team as "A very committed bunch."

Senior Jim Parisi agrees. "There (were).. no individual egos... on this team. It's one for all and all for one."

Girls Tennis Makes It to the Finals

The girls tennis team completed another successful season in 1985, finishing as N.N.J.I.L. League Champions, undefeated in league play with a record of 10-0. As well as group 4 State Sectional Champion, and group 4 State Finalist. The team lost only in the state finals to 2nd ranked West Orange.

Co-Captain Karin Hyman and Cybele Eidenschenk both had good seasons. Karin who played 1st singles, was named 1st team All League and 2nd team All Country. Cybele, playing second singles, also had an outstanding season, beating East Brunswick in the State semifinals. Senior Sandra Sullivan also had an outstanding season playing 2nd doubles with sophmore Michelle Moylan. Their overall record was 12-4, and the twosome scored Ridgewoods only win over West Orange in the State finals.

Other key players included junior Ann Snow, seeded 3rd singles in the county tournament, and 1st doubles team Fretchen Geitner and sophmore Kelly Martin, who were name to first team All League and second team All County. Special member of the team was Joy Kim, who acted as manager for the season. Joy was largely responsible for the wonderful team spirit and great feeling of oneness that the team experienced.

Boy's Basketball Team Makes League Champs

This year's boy's basketball team was led by co-captains Pete Young and Chris Gunther. Their very successful season resulted in a record of 13-1 in the league and 19-8 overall, making them league champs. A highlight of their year was winning a game against Waldwick two days before Christmas playing in Brenden Byrene Arena.

John Smith was the Head Coach and was assisted by Hank Jennings and Jim Caradona. Pete and Chris both made first team all county. Tyrone Boger and Tony Markon both made honorable mention all-league and Grant Barger make second team all-league.

Girl's Basketball Team Far Surpasses Expectations

With the strong leadership of Cathy Gunter as captain and additional leadership from Christine Giambalvo, the girl's basketball team finished the season with a 17-8 record. Coach Dick Bennett remarked that the team far surpassed the expectations of both he and the assistant coach, Jack VanYpern.

Maroons Finish Season As Co-Champs

In just its third year of existence, the girls soccer team managed to win a championship. The Maroons tied Paramus Catholic for the N.N.J.I.L. title with a 9-1 record.

The team, which was also a semifinalist in the Bergan County Tournament, was coached by Frank Mobilio, with assistant coach Jeff Yearing and J.V. coach Hank Jennings. Mobilio, who came from Ben Franklin Junior High in 1983 to coach the team, is proud of the accomplishments of his young team, and rightly so. He sights the attitude of the girls and the fact that his team was without big stars as two helps in securing the team's success.

"We were a team without one or two big stars.., "Mobilio said. "We didn't look to one person to do all of our defensive or offensive work, and that was a real plus..."

Senior Kathy Gunther, a miafielder/ forward and two-year captain was one of the top four scorers for Ridgewood, with ten goals. Stacey Guerriero and Beth Cubberly, both seniors, were 3 time All League Selections and senior Claire Burns was an all time career scoring leader, with 20 goals.

Other strong players on the 1985 team were senior Amy Phillips, and junior Gretchen Willey, Michelle Hayes, Jennifer Bourn, and Melissa Crabtree.

Ridgewood Boys Surge in Soccer

The Maroons again had a successful season on the soccer field. Coach Dick Bennett entered his seventeenth year as varsity coach with a bit of apprehension. "The group is talented he commented, "but young in experience varsity-wise. There is experience in a number of key positions, but we will be young in goal and on defensive wings."

Bennett's team, however managed to do quite well and made it to the group 4 state tournament. Bennett was obviously pleased with the team's season.

Leadership and skill were seen from senior captains Vernon Clarke and Mike Gilligan, both wingers. Cliff Kahan was the striker and was called the "fireplug" by Bennett. Seniors George Holiat and Keith Hartwig were key at midfield, while returning letterman Paul Tucker took the defensive sweeper position. Jim Fralick and Mike Stein were also reliable substitute players who helped make the 1986 season a successful one.

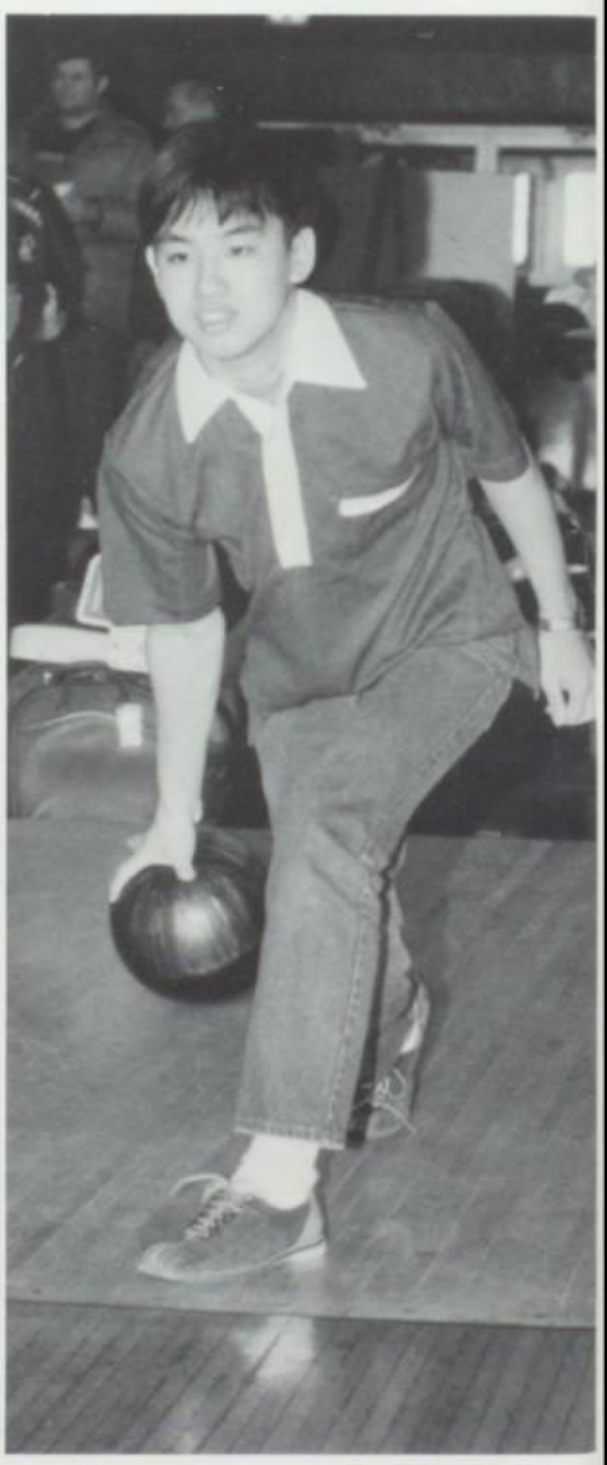
Bowling Teams Continue to Strike

Both the boys and girls bowling teams enjoyed success this year. Coach Art Rispoli says he was extremely pleased with the progress both teams had made over the year. Both ended the season with considerably better records than last year.

The girls team relied heavily on senior Kristen Riker, who had been a team member for three years. Sophomore Kim Mock was also pivotal in the teams success, and was named 2nd team all-league.

The boys team also had a good season. After having seen this years sophomore team members in action, Rispoli hopes the team will continue to build and improve. This is despite next year's loss of seniors Mas Numata and Bob Archer, three year players whom the team will certainly miss.



Gymnastics Team Wins Title

The girls gymnastics team completed a succesful, compling a 9-2 record. The team won the N.N.J.I.L. conference meet championship.

The team played in the William Paterson Tournament finals and the State Tournament quarter finals. They showed their best form in a close and suspenseful game against Fairlawn in the State Tournament after which Fairlawn went on to win the State title. The team was aided by Bill Ozwald as Assistant Coach.

Maroon Girls Run Like Veterans

Though the girls Cross Country team is young, they ran like experienced veterans, and ended their 1985 season as Bergen County Group IV champs and N.N.J.I.L. champions. The team went 5-0 in their county meets. Other championship meet honors include 3rd place, Ridgewood Invitational, 3rd place, Manhattan, and 4th place, St.Anthony's.

Coach Jacob Brown attributes the teams success to their enthusiasm and team unity. He admitted that the team was young and relatively inexperienced, but added,"...they're tough. They don't run like they're inexperienced."

Letter winners Linda Hockey and Megan Duffy both had seasons, and did other seniors Ellen Barkenbush, Linda Sigillito, Christina Velez, and Cathi Reid. Junior Norine, D'Arcy also had an outstanding season, placing 16th in the state.

Hockey, D'Arcy, sophomore Jen Hughes, and freshman Jean Hughes were named first team All-Suburban. Coach Brown was obviously pleased with his team members accomplishments and looks forward to another consistent cross country season next year.
